

MARKET ACCESS MANAGER

Posted on 31 oktober, 2024

Company Name PharmaLex

Location Sverige

Job Description

Market Access Manager – Join PharmaLex, part of Cencora!

Are you ready to thrive in a dynamic work environment where challenges and opportunities are a daily experience? At [PharmaLex Sweden](#), part of Cencora, a career awaits that will elevate you to new heights! As part of the global leader in consulting and services for the pharmaceutical, biotech, and medical device industries, we support companies from early development to market entry and beyond.

We are now looking for a new team member to strengthen our **Nordic Market Access team** and drive our mission forward in Sweden!

About the Role

As **Market Access Manager**, you'll play a pivotal role in ensuring that new pharmaceuticals and healthcare products reach the market successfully. Your responsibilities will include:

- **Reimbursement Dossier Development:** Prepare and adapt reimbursement dossiers tailored to local Nordic market requirements.
- **Health Economic Analysis:** Review and adjust health-economic models, and interpret research data for medicines and healthcare products.
- **Real World Evidence Studies:** Plan and report real-world studies that strengthen our projects' impact.
- **Project Leadership and Client Relations:** Manage project budgets, timelines, and foster long-term client relationships.

We're Looking for Someone With:

- A relevant **Master's degree** (preferably also a PhD).

- **4–6 years of experience** in market access, ideally with knowledge of TLV processes.
- Strong knowledge of pharmaceutical sciences, medicine, epidemiology, and/or health economics.
- **Fluency in Swedish** (or another Nordic language) and English.
- A structured, analytical, and detail-oriented approach to work.

What We Offer:

- **Growth Opportunities:** We are invested in your personal and professional development through continuous training and workshops.
- **Global Network:** Work with an international team and engage with colleagues and clients from around the world.
- **Flexible and Open Work Environment:** A workplace where innovation and service excellence are at the core.

To apply

We are looking forward to receiving your application as soon as possible.

For more information about PharmaLex, the role and to apply, please contact Richard Etz, Moveup Consulting AB, 0733-87 27 21.

To apply, please send your application in the form of a CV to richard.etz@moveup.se

By submitting your application, you also give your consent to storing your personal information, including CV & Cover letter, and that we own the right to share this information with third parties (our client). You can withdraw the consent at any time.

Welcome to PharmaLex, part of Cencora – where we're shaping the future of healthcare solutions together!

Om företag

PharmaLex is now part of Cencora, a leading global pharmaceutical solutions organization centered on improving lives around the world.

PharmaLex adds to Cencora's expanding suite of pharma solutions and serves the pharma, biotech, and medtech industries. We guide clients from early strategic planning activities and non-clinical requirements through clinical development, regulatory submission processes and post-approval / maintenance post-launch activities. Our experts use technology-elevated solutions to support clients through the entire product lifecycle.
