

PRODUCT MANAGER SURGERY NORDIC

Posted on 16 juli, 2024

Company Name Becton Dickinson

Location Stockholm (alternative locations: Vantaa, Oslo, or Copenhagen)

Job Description

Join Our Team!

BD is looking for a passionate and dynamic Product Manager for our Surgery portfolio (Hernia, Infection Prevention & Biosurgery) in the Nordics. If you thrive on driving growth and creating innovative marketing strategies, this role is for you!

Key Responsibilities

- Develop and execute marketing strategies to propel business growth.
- Oversee product life cycles and prioritize our portfolio.
- Spearhead the tender process from start to finish.
- Work closely with internal teams and be the Nordic champion for our products.
- Train and support the sales team with in-depth product knowledge.
- Build strong relationships with key opinion leaders and external stakeholders.

Qualifications

- Bachelor's degree in Science or Business.
- Clinical experience in OR nursing, preferably in hernia.
- Commercial experience in the pharmaceutical or medical device industry.
- Strong understanding of the healthcare system and tender processes.
- Excellent communication skills in Swedish/Scandinavian and English (Finnish is a plus).

Why BD?

Innovative Environment: Be part of a team that drives medical innovation.

Opportunities for professional development and career advancement.

Work with passionate and dedicated professionals.

Apply Now!

We are looking forward to receiving your application as soon as possible.
